# Da's Brag Book

Mom ~

I really never understood just how much you loved me until I had a daughter of my own. I never thought that I could love another person as much as I love Ella. I can't wait to share with her all the wonderful things that you and I have shared. I only hope that I am as good of a mother to her as you are to me. Thank you for helping me through the beginning of this amazing, yet sometimes overwhelming journey of motherhood. It fills me with so much joy and happiness to have you by my side as I live my dreams and experience my miracle...

I love you... Mollie

**Mollie's Baby Shower**

**We're ready for Ella...**

**9 months... she's almost here!**

**She finally arrived!**

**Ella was perfect  
from the beginning.**

**This is the first time Ella's proud  
parents saw her beautiful face!**

**Mommy is in love...**

**...and Aunt Julia's in love...**

**...and so is Daddy!**

**She likes to be held in different ways...**

**Ella loves to cuddle with Daddy...**

**...and she loves her Mommy's arms too!**

**Mommy is happiest when her baby girl is  
in her arms - then nothing else matters...**

**Seven gets in on the loving when she can.**

**Ella's favorite pal is Freddie the Firefly.**

**Have you ever seen anything so  
flawless and beautiful?**

**Four generations - what an amazing thing!**

**Ella and Milani are already best friends!**

**After playing hard, everyone needs a nap!**

**Aunt Heather and Aunt Michelle have a new niece to shower with love and attention.**

Who dressed me?

Daddy of course!

Ella's a Gator fan already!  
Saturday game days are the best...

**Ella likes her bath time!**

**She loves it when Da bathes  
her in the kitchen sink...**

**...and when Mommy bathes her in her bath  
chair, she'd stay in it all day if she could!**

**Arms over her head.**

**That's how she  
likes to sleep.**

**Any way she does it, she looks so beautiful!  
It's easy to lose track of time watching her.**

Dylan loves his new cousin 'Baby Ella'.

He remembers when she was in Mollie's tummy, but he's glad that she's out now!

He can't wait until she gets big enough to run around and play!

Until then, he can play with Aunt Julia...

...and hide-and-seek under  
the table with Aunt Mollie

Dylan is such a happy little boy and so full  
of love! His smile brightens everyone's day.

We all know babies sometimes cry...

...but BobBob now has two grandchildren under his belt...

...so he's obviously a pro at calming them and even making them smile!

**Ella loves to play dress up with Da...**

**...and likes to watch her playpen animals do tricks above her head!**

**"I'm able to keep them in focus a lot easier these days," says the Little Lady.**

**Ella loves Da as much as Da loves her...**

**...so she decided that she would do  
something special for Da's birthday!**

**Da said that it was the best birthday  
surprise that she ever got!**

**It's amazing how someone so small can  
make the world a better place for so many!**
